CODE OF ETHICS

I will:

First do no harm. Primum no nocere;

Practice the healing power of nature. Vis medicatrix naturae;

Identify and treat the cause. Tolle causam;

Practice prevention. Prevention is the best "cure";

Treat the whole person;

Not discriminate against clients or professionals based on race, religion, age, sex, handicaps, national ancestry, sexual orientation or economic conditions;

Promise to abide by all federal, state, and local laws;

Promise not to exceed my scope of practice, either in abilities or by law;

Strive to be objective in the treatments of clients and performance of duties, recognizing the rights of all persons, and my limitations;

Distinguish clearly, in public between my statements and actions as an individual and as a representative of Naturopathy;

Maintain competence in the naturopathic profession;

Practice in a professional environment and give my clients respect and privacy;

Education my clients and encourage self-responsibility;

Constantly strive to achieve these objectives and ideals, dedicating myself to my chosen profession.
